Vol 13, No. 1 A White Oak Mills Dairy Customer Newsletter January / February 2016

Donahey Joins White Oak as Dairy Specialist

White Oak is pleased to announce that **Aaron Donahey**, of Quarryville, has joined White Oak's dairy team as a full-time Dairy Specialist.

Aaron's responsibilities include working with dairy producers throughout Lancaster, York and surrounding counties to meet their specific goals and objectives through custom dairy feeding programs, on-farm troubleshooting, and other White Oak services.

Aaron has a bachelor's degree in Dairy Animal Science from Delaware Valley College. For the past 10 years, he has worked in the dairy genetics business ... seven years with Genex Cooperative and the past three years with ABS Global, Inc. He is certified in udder care and reproductive management.

Having grown up on his family's dairy farm, Shady-Row Farms, in Lewistown, PA where he then served as herdsman, Aaron has a passion for dairy cows.

Aaron Donahey

"We are very pleased to have Aaron join our team," says Bruce Kreider, White Oak's director of dairy. "He is experienced in working with dairy farmers, understanding their needs, and finding solutions for their farm business. These skills will be a great asset to our customers, and, as a result, to White Oak Mills."

Aaron can be reached at 717.449.3975. 

Early Order Discounts Available on PSI 165 Silage Inoculant

In its efforts to provide high-quality products to its dairy customers, White Oak has begun carrying several PSI 165 Silage Inoculants to help you safeguard your investment. PSI 165 is a research-based blend of *Lactobacillus plantarum*, *Enterococcus faecium*, *Pediococcus acidilactici*, *Propionibacterium freudenreichii*, *Bacillus pumilus*, and four enzymes designed to provide 165,000 cfu/g of silage.

PSI 165 is designed to:

- Increase nutrient density of silage
- Reduce silage heating
- Speed fermentation and preservation
- Increase milk production and intakes
- Increase dry matter recovery
- Reduce effluent flow

PSI 165 Dry Granular #13921 (50 Lb Bag)
